Management Association

July 27, 2019

## Inspection for Real Estate Transactions

On August 16, those interested will have an opportunity to complete training on Inspection for Real Estate Transactions. The association has received several requests for this training as the demand from the banking community to have septic systems assessed upon title transfer becomes more common.

**August 16, 2019**  
**Winnipeg Region**

You can register online (<http://www.mowma.org/training/public-field-training/>), or complete a registration form and return it to our office. Upon receipt of your completed registration form, you will be sent the information on the location of the training site along with any other information required.

For more information, please email Rudy at [admin@mowma.org](mailto:admin@mowma.org) or call the association office: 204-771-0455.

---

## Sites and Soils Evaluation Field Days

Site and Soils Evaluation Field Days will be held for those interested in learning more about performing detailed site visits and designing systems for difficult situations and soils. This training workshop will provide information on assessing soil structure and texture, assessing site conditions and constraints, logging information and applying that knowledge to the design of onsite systems.

**September 14, 2019**  
**Winnipeg Region**

You can register online (<http://www.mowma.org/training/public-field-training/>), or complete a registration form and return it to our office. Upon receipt of your completed registration form, you will be sent the information on the location of the training site along with any other information required.

Contact our office at 855-872-2659 for more information.

## Fall Magazine Coming Soon!

### Don't Miss Out on Advertising & Sponsorship Opportunities!

Did you know that there are plenty of opportunities to support your industry organization and promote your business? We have options for a variety of price points.

Contact our office today to advertise in this newsletter or our upcoming printed magazine. You can also sponsor training events throughout the province. For more information, call us toll free at 1-855-872-2659.

### Contribute to the Magazine

The association is sourcing articles for publication in our WCOWMA family of newsletters, and our printed magazine. Newsletters are published monthly, and magazines are published twice per year. Both include information, news and events from each Western province.

Articles submitted may be on any topic relevant to our membership and stakeholder group, such as those related to wastewater, septage and the onsite wastewater industry. Article length should be between 200 to 500 words for the newsletter and 800 to 1,500 words for the magazine. In both cases the article should be research or case study based. Relevant pictures are welcome; a photo release may be required. Promotional articles or those that are heavily proprietorial are considered advertorial and are subject to advertising rates. These will be identified in the publications as advertorials.

Banner and feature advertising is also now available in our newsletter – please contact the association office more information.

WCOWMA newsletters and magazines are distributed to over 5000 onsite wastewater stakeholders across Western Canada.

Articles may be submitted to [info@wcowma.com](mailto:info@wcowma.com). The deadline for each newsletter is the 15th of each month. Articles submitted may be published immediately or held for future publications.
